In the Area

About Arbor Green

Arbor Green has everything that makes up a flourishing neighbourhood. Streets, landscaping and amenities that have been purposefully designed to bring people together and enhance everyday wellbeing.

Once complete, Arbor Green will have 1200 new homes built, a primary school and a central neighbourhood precinct that create two main gathering points, while multiple parks, pathways and cycleways ensure every resident can get around with safety and ease.

Rolleston and Surrounding Areas

Living in Arbor Green provides you with an open gateway to everything the Selwyn region has to offer.

Rolleston is Canterbury's second largest urban centre. Home to growing businesses, purposebuilt facilities, high quality schools and a bevy of shops and eateries, life here is vibrant, easy and fun.

You'll be close to all those urban conveniences that make life easy. There are plenty of work and education opportunities nearby and Christchurch is just 20 minutes down the road. Head a little further afield and Canterbury's mountains, lakes and beaches are yours to discover.

Why Choose an Oakridge Home?

Oakridge Homes is a locally owned Canterbury company with decades of experience. We are Canterbury's second largest residential builder delivering 200 homes per year with a proven track record of completing over 400 homes for happy homeowners in the region. Oakridge is a small team of fifteen, each of us working diligently to achieve the company goal of delivering quality homes as efficiently and stress free as possible.

All Oakridge house and land packages are competitively priced offering true value for money including turnkey funding, meaning you pay a 10% deposit and the balance the day you get your keys. In our experience this is the preferred contract method when securing finance and a service we offer as a standard inclusion. We work closely with our contractors and suppliers to get the best product for the best cost which is reflected in our all-inclusive package pricing.

At Oakridge we are extremely proud of the relationships we have built with local tradesmen and suppliers, ensuring quality is delivered every time. We deal with one longstanding company per element of the build which has helped us achieve our average build time of 17 weeks. We are very thankful to everyone who makes an Oakridge home come to life, many of us working alongside one another for over ten years.

Our team has put immense effort in to streamlining the consenting process by working alongside the local councils and have formed great relationships with the team leaders guaranteeing our consents are handled as efficiently as possible. Oakridge has a reputation for providing quality documentation for our consent applications which helps ensure we receive your building consent in a timely manner.
