About Belfast Subdivision

Belfast's newest subdivision provides incredible convenience to residents including two new schools, Belfast Senior School and Pitau Allenvale School, a Woolworths supermarket, pharmacy and coming soon is the Belfast Village retail centre and Radius Healthcare Centre – all just a short walk from home.

Belfast and Surrounding Areas

While the central city is in easy reach from either Main North Road or the Northern Arterial motorway – with a dedicated interchange just minutes away – there's also so much on offer in this highly sought-after area.

For shopping, the Northwood Supa Centre is nearby, while Northlands Mall is also in easy reach.

As well as the schools within the development, there are also several high-quality primary and high schools in close proximity, including St Bede's College and Marian College.

And for recreation, along with dedicated playgrounds within our community, there's Styx Mill Conservation Reserve, Clearwater Resort and the Sheldon Park multisport facility, all just minutes away.

Heading out of town? North or South, it is easy to jump onto the city's motorway system from Belfast, and Christchurch International Airport is less than 15km's away.
